

SGPA & CGPA Calculation Reference Guide

SGPA: Semester Grade Point Average Calculation

On the main user interface (UI), you will see two tables: the first one is for **SGPA Calculation** and the second one is for **CGPA Calculation**.

Instructions for the First Table (SGPA):

- ❖ Create the necessary rows by clicking the **"Add Row"** button based on the number of subjects you have.
- ❖ If you accidentally add an extra row, you can remove the last row by clicking the **"Delete Row"** button.
- ❖ Enter your subject name (paper name) in the **"Subject Name"** column. *(Note: You must enter all the subjects listed on your official result sheet).*

Semester	Paper Code	Paper Name	CIA	SEM	Result
